The Lessee shall promptly report to the Trustee each such removal, substitution, sale, trade-in, exchange and other disposition and shall pay to the Trustee such amounts as are required by the provisions of the preceding subsection (b) of this Section to be paid into the Bond Fund promptly after the sale, trade-in or other disposition requiring such payment; provided, that no such report and payment need be made until the amount to be paid into the Bond Fund on account of all such sales, trade-ins or other dispositions not previously reported aggregates at least \$100,000. SECTION 6.3 Taxes, Other Governmental Charges and Utility Charges. The County and the Lessee acknowledge (i) that pursuant to Section 13 of the Act, no part of the Project owned by the County will be subject to taxation in South Carolina, that under present law the income and profits (if any) of the County from the Project are not subject to either Federal or South Carolina taxation and that under present law there is no tax imposed upon leasehold estates in South Carolina, and (ii) that these factors, among others, have induced the Lessee to enter into this Agreement.

However, the Lessee will pay, as the same become due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Project or any machinery, equipment or other property installed or brought by the Lessee therein or thereon (including, without limiting the generality of the foregoing, any taxes levied upon or with respect to the Lease Rentals of the County from the Project which, if not paid, will become a lien on the Project prior to or on a parity with the lien of the Indenture or a charge on the Lease Rentals therefrom prior to or on a parity with the charge thereon and the pledge or assignment thereof to be created and made in the Indenture, and including all ad valorem taxes lawfully assessed upon the leasehold estate hereby granted and conveyed to the Lessee in the Project), all utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Project and all assessments and charges lawfully made by any governmental body for public improvements that may be secured by a lien on the Project; provided, that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Lessee shall be obligated to pay only such installments as are required to be paid during the Lease Term.
