

(a) The right to install or have installed special instrumentation to measure the performance of the solar energy system.

(b) The right to enter, with property notice, said project at reasonable times for testing or observation.

(c) The right to see and copy all bills and receipts for fuel, electricity and repairs to the heating, cooling and domestic hot water systems as applicable.

(d) The right to question any occupant of the dwelling concerning his physical or psychological reactions to certain features of its construction and operation.

This deed is given to correct that deed recorded in the R.M.C. Office for Greenville on May 1, 1979, in Deed Book 1101 at Page 598. The correction consists solely of the addition of the preceding grant unto the United States Department of Housing and Urban Development.
