

thing be done thereon which may be or become an annoyance, nuisance or menace to the neighborhood. No lot or any part thereof shall be used for any business or commercial purpose nor for any public purpose.

(4) All fuel oil tanks or containers shall be covered or buried underground consistent with normal safety precautions.

(5) No animals shall be kept, maintained or quartered on any lot or tract in this subdivision except that cats, dogs, rabbits, hamsters or caged birds may be kept in reasonable numbers as pets for the pleasure of the occupants.

(6) Garbage and trash cans, wood piles and clothes drying in yards must be so located that they will not be visible from the street.

(7) Property owners will be required to keep tall shrubbery or hedges trimmed to reasonable limits where air circulation or view from surrounding property may be adversely affected or where traffic hazards may be created.

(8) Provisions must be made by the property owners for off-street parking of cars belonging to domestic servants as the parking of such cars on street right-of-ways for long periods of time during the day or night will not be permitted.

(9) Particular care must be given to the design and location of carports or garages. Carports or garages must be located away from the principal street of the house so that the main view of the house from the street will not be directly into such a carport or garage.

(10) In addition to such drainage easements as are shown on the recorded subdivision plat, a five-foot easement is reserved over and across all side and rear lot lines for drainage and utility installation and maintenance; provided that when more than one lot shall be used as a site for only one residence, the aforesaid five-foot easement shall apply only with respect to the to the exterior lines of such consolidated lot.
