

## II.

## USES PERMITTED AND PROHIBITED

2.1 All numbered lots in this subdivision shall be known and described as residential lots and shall be used exclusively for single family residential dwellings. No structure shall be erected, altered, placed or permitted to remain on any such lot other than one detached single-family dwelling not to exceed two and one-half stories in height exclusive of basement and a garage for private passenger automobile and servants quarters. The garage may be detached from the dwelling and no garage shall be of a size larger than necessary to park two automobiles plus storage area of reasonable size.

2.2 No trailer, mobile home, basement, tent, shack, garage, barn, or other outbuilding erected upon any lot shall at any time be used as a residence either temporarily or permanently. No structure of a temporary nature shall be used as a residence.

2.3 No house trailer or mobile home shall be placed on any lot either temporarily or permanently. No packaged home or prefabricated or modular type residence shall be allowed without the express written consent of the Architectural Committee and subject to any conditions relating thereto that they may reasonably impose. Any camping trailer, boats and/or similar equipment used for the personal enjoyment of a resident of a lot shall at all times be parked to the rear of the dwelling and shall not be parked in the front or side thereof. Such equipment shall at all times be neatly stored and positioned to be inconspicuous. The Architectural Committee shall have the sole discretion to allow the parking of said equipment along the side yard provided, in its opinion it is inconspicuous and does not disturb the neighbors.

2.4 No noxious or offensive activity shall be carried on anywhere on the property subject to these covenants, nor shall anything be done thereon which may be or become a nuisance or menace to the neighborhood. No numbered lot or any part thereof shall be used for any business or commercial purpose or for any public purpose.

2.5 All fuel oil tanks or containers shall be covered or buried underground consistent with normal safety precautions.
