

This is the same property conveyed to the grantors herein by deed of H. R. Mathewson recorded September 15, 1948 in Deed Book 359, Page 208. There are discrepancies between the bearings for metes as shown on the plat recorded in Plat Book G, Page 20 and the recent survey made by Samuel M. Harper although the distances are the same on the two plats. It is the intention of the grantors to convey to the grantees the property that was conveyed to the grantors by H. R. Mathewson aforesaid and the grantees herein accept this deed understanding the above mentioned discrepancy exists.

These conveyances are made subject to all restrictions, setback lines, roadways, easements and rights of way, if any, affecting the above described properties.
