prospective damages which might result or be claimed to result from the location, relocation, construction, reconstruction and maintenance of the subject highway project, including any reconstruction or work done as part of this settlement relative to construction of temporary frontage roads and relocation of other State roads, and construction and maintenance of appurtenant drainage facilities, all of which appears on plans of the South Carolina Department of Highways and Public Transportation for File 46.581. This Release also intends to, and does, cover all such damages as may result from the construction within the rights of way acquired by the Department of Highways and Public Transportation, under Amended Notice of Condemnation agreed to by Appellant landowners and mortgagee, as part of the settlement consideration, a copy of said Amended Notice of Condemnation being attached hereto and incorporated herein.

The South Carolina Department of Highways and Public Transportation in paying said settlement consideration does so in compromise of any and all claims, actions, or causes of action, damages, or demands of whatsoever kind or nature, above released, and not admitting any liability on account of same.

IN WITNESS WHEREOF, we hereunto set our hands and seals this 13th day of October, 1980.
