These covenants are to run with the land and shall be binding upon all persons claiming under them until January 1, 2000, at which time said covenants shall be automatically extended for successive periods of ten (10) years each, unless an instrument adopted by a vote of a majority of then owners, agreeing to change said covenants in whole or in part, is placed upon record. These restrictions may be amended, changed, or altered prior to January 1, 2000, only by a unanimous vote of the then owners of all of said lots.

6. Buildings shall be placed on said lots in accordance with set-back lines which shall be minimum of thirty-five (35) feet or as shown on the plat and no building or construction will be permitted to interfere with the easement reserved along the rear and side lot lines for drainage and utilities.
