use of said strip of land by the Grantee for the purposes herein mentioned, and that no use shall be made of the said strip of
land that would, in the opinion of the Grantee, injure, endanger or render inaccessible the sewer pipe line or their appurtenances.

4. It is further agreed: That in the event a building or other structure should be erected contiguous to said sewer pipe
line, no claim for damages shall be made by the Grantor, his heirs or assigns, on account of any damage that might occur to such
