

6. A ten foot easement is reserved along all lot lines for drainage and utility installation and maintenance; provided, however, that when more than one lot shall be used as a site for only one residence, the aforesaid ten foot easement shall apply only with respect to the exterior side and rear lines of such consolidated lot.
7. All sewerage disposal shall be by a system approved by the appropriate public health authorities, including the South Carolina Pollution Control Authority.
8. No plots conveyed by the parties hereto shall be resubdivided so as to create an additional building plot. This provision is not intended to prevent cutting off a small portion or portions of any lot for the purpose of conveying the same to an adjoining plot owner; but under no circumstances may an owner of any plot, except the undersigned, sell, lease, or permit the use of any part of said plot as a way or entrance to any other property, whether within or without the property covered by these restrictions.
9. No livestock, fowl, or animals of any kind, except dogs, cats and other household pets, shall be maintained or kept upon any plot.
10. No property owner shall engage in any activity which will result in the deposit or accumulation of trash, refuse, debris, or other objectionable matter.
11. Any residence constructed upon any lot must be completed on the exterior and the lot landscaped within eight months after the date the footings are poured. A fine of \$100.00 for each month or portion thereof shall be imposed when any house and landscaping remains incomplete after the expiration of the said eight months and this fine is hereby levied against the said lot, and the said fine shall constitute a lien against this lot, provided, however, that the said lien shall not affect or prejudice the rights or liens of other lien creditors. Any fines so collected shall be used by the said Tanner Corp. or its designated representative for the beautification of the subdivision; provided, it shall have the right and authority to waive the said fine at any time either before or after it shall accrue.
12. No fence or wall shall be constructed or maintained along the front property line of any lot, nor shall any hedge or fence higher than three feet be built or maintained between the build-line and the street. No tank for the storage of fuel above the surface of the ground shall be erected upon any plot.
13. No house trailer, disabled vehicle, or unsightly machinery or junk, shall be placed on any lot, either temporarily or permanently. This provision shall not be construed as prohibiting the parking or keeping of travel trailers, so long as they are not used as a residence, either temporarily or permanently, and are maintained in a sightly manner.

IN WITNESS WHEREOF, the undersigned has hereunto set its hand and seal, by its duly authorized officer, this 9th day of September, 1981.
