For various purposes, as from time to time stated in the Master Deed, it is necessary that the percentage of undivided interest in the common elements appurtenant to each condominium unit in Summer Woods be established. For these purposes, the "base value" of present and future two and three bedroom units has been established as \$48,000.00 and \$55,000.00, respectively. These values are used for determining the percentage each unit bears to the whole value, and have no relationship to market value.

BASE VALUE FOR ALL UNITS AFTER COMPLETION OF PHASE III, MIX C (56 Units of Phases I and II plus 24 New Units of Phase III = 80 total units)
