Such exterior maintenance shall not include glass surfaces, or doors. Section 2. Any owner who fences or encloses any portion of his lot (which fence or enclosure shall require the prior approval of the Association) may plant trees, shrubs, flowers, and grass in the fenced or enclosed portion as he elects and shall maintain the fenced or enclosed portion at his own expense, provided that such maintenance does not hinder the Association in performing its maintenance duties as to the residence, the remaining yard spaces, or the limited common area. If, in the opinion of the Association, any such owner fails to maintain his yard in a neat and orderly manner, the Association may revoke the owner's maintenance rights for a period not to exceed one year and the Association shall perform maintenance during the revocation period. The owner shall not plant any vegetation in front of his residence except with the prior written approval of the Association.
