GIVING AND GRANTING unto my said attorney full power and authority to do and perform all and every act, deed, matter, and thing whatsoever in and about my estate, property, and affairs as fully and effectually to all intents and purposes as I might or could do in my own proper person if personally present, the above specially enumerated powers being in aid and exemplification of the full, complete, and general power herein granted and not in limitation or definition thereof; and hereby ratifying all that my said attorney shall lawfully do or cause to be done by virtue of these presents, including any execution of the powers herein granted in favor of himself, or any transaction, dealing, or undertaking with himself by virtue hereof.

And I hereby declare that any act or thing lawfully done hereunder by my said attorney shall be binding on myself, and my heirs, legal and personal representatives, and assigns, whether the same shall have been done before or after my death, or other revocation of this instrument, unless and until reliable information or notice thereof shall have been received by my said attorney; and whether or not I, the grantor of this instrument shall have been reported or listed either officially or otherwise as "missing" or "missing in action" as those phrases are used in military parlance, it being the intendment hereof that such status designation shall not bar my attorney from fully and completely exercising and continuing to exercise any and all powers and rights herein granted, and that such report of "missing" or "missing in action" shall neither constitute or be interpreted as constituting notice of my death nor operate to revoke this instrument.

The terms, "estate", "affairs", and "property", as used herein include and shall include at all times and places and under all conditions, real, personal, and mixed property of every kind and description whatsoever and wheresoever situated, and all buildings, structures, improvements, fixtures, vehicles, appliances, accessories, furnishings, equipment, choses in action, equities, priorities, permits, rations, quotas, rights of way, mineral and oil rights, water rights, easements, licenses, future interests, reversions, remainders, and all other kinds of property or property rights whatsoever, and every interest, title, equity, tenement, hereditament, appurtenance, right, claim, demand, or action therein and thereunto appertaining, and whether said property or property rights be tangible or intangible, jointly or severally owned, or now or hereafter acquired.

The power given in the premises to my named attorney shall ~~(not)~~, for the purposes of initiating any new transaction or act, terminate, cease, lapse (except by my revocation of this power) (as of 31st of March, 1982), provided that nothing contained herein shall affect any conduct or performance of any substituted attorney or the named attorney in support or furtherance of any transaction or act performed prior to the date in this paragraph, nor any act, conduct or transaction performed prior to said date.)

In witness whereof, I have hereunto set my hand seal this 2nd day of April, 1982.
