

Lease No. DOTFA82SO
Outer Marker
Greenville-Spartanburg Airport

ATTACHMENT "A"

12. The Government agrees that the portion of leased premises that is used as a means of access road to its electronic facility may be used by the Lessor, with the understanding that such permission does not permit traversing with any vehicle that would unduly wear or destroy the roadway.

13. The Government agrees to place a lock on the gate at existing fence and to permit the Lessor to place his own lock on the gate. Said gate will be kept locked at all times.
