HAND DELIVERED

Re: Shadow Oak Commons

Dear Royce:

Attached to this letter is the original of a letter addressed to Mr. Charles F. Styles which is being submitted as an amendment to the impact statement on Shadow Oak Commons previously submitted to Mr. Styles' committee through the Greenville County Planning Commission. If you will see that Mr. Styles gets this prior to the meeting of his committee scheduled for Thursday morning, November 20, 1980, in order that it can be considered with the original impact statement, I will be greatly appreciative.

Very truly yours,

BROWN, BYRD, BLAKELY,
