

(b) The Trustee shall pay all necessary and proper expenses in connection with the administration of this trust.

(c) After deducting all necessary and proper expenses, the Trustee shall pay all the net income in convenient installments, but no less frequently than annually, to or for the benefit of the Trustor's children and the Trustor's grandchildren, in equal shares and proportions.

(d) The Trustee is authorized from time to time to use such portion or portions of the corpus of this trust as the Trustee, and it alone, shall deem advisable for the proper support, maintenance, medical care and/or education (including post-graduate study) of any one or more of the Trustor's children and/or any one or more of the Trustor's grandchildren. Invasions of corpus made hereunder shall be charged against any beneficiary as an advancement prior to the division of this trust into shares pursuant to (e) hereof.

(e) Commencing with the date of the Trustor's death, the Trustee shall divide the Trust Estate into nine (9) equal parts and pay to or apply for the benefit of the Trustor's children and seven (7) grandchildren one (1) share each of the corpus and accrued interest in this Trust Estate.

CBM

ARTICLE II.

If any share hereunder becomes distributable to a beneficiary who has not attained the age of Eighteen (18) years, then such share shall immediately vest in such beneficiary, but notwithstanding the provisions herein, the Trustee shall retain possession of such share in trust for such beneficiary until such beneficiary attains the age of Eighteen (18), using so much of the net income and principal of such share as the Trustee deems necessary to provide for the proper support, medical care, and education of such beneficiary, taking into consideration to the extent the Trustee deems advisable any other income or resources of such beneficiary of his or her parents known to the Trustee. Such beneficiary's share shall be paid over and distributed to such beneficiary upon attaining age Eighteen (18), or if he or she shall
