3. It is Agreed: That the Grantor may plant crops, maintain fences and use this strip of land, provided: That crops shall not be planted over any storm drain where the tops of the pipes are less than eighteen (18) inches under the surface of the ground; that the use of said strip of land by the Grantor shall not, in the opinion of the Grantee, interfere or conflict with the use of said strip of land by the Grantee for the purposes herein mentioned, and that no use shall be made of the said strip of land that would, in the opinion of the Grantee, injure, endanger or render inaccessible the storm drain or their appurtenances.
