VOL 1188 PAGE 118

Mr. Royce Carter
Greenville County Planning Commission
February 2, 1982

By separate cover, we will furnish appropriate letters from water, sewer, fire, and school districts, stating that this project can be handled by the appropriate facilities.

We trust this gives you the basic information needed at this time. If there are any questions, please do not hesitate to call.

Sincerely,

Bill

M. William Bashor, Jr., AIA
