 APPLICABLE TO HARROGATE HILLS

The following restrictive and protective covenants are hereby imposed on the property contained in the subdivision known as Harrogate Hills, as shown on plat recorded in the R. M. C. Office for Greenville County, S. C. in Plat Book 91, at Page 47. These protective covenants and restrictions are imposed not only for the benefit of the Grantors but also for the benefit of each and every purchaser of any of the said property and their heirs and assigns.

These protective covenants are to run with the land and shall be binding on all parties or persons claiming under them until November 2003, at which time same shall be automatically extended for a successive period of ten years unless by a vote of the owners of a majority of said lots, it is agreed to change said covenants in whole or in part. Said restrictions are recorded in the R. M. C. Office for Greenville County in Deed Book 1200, at page 91.

If the subdividers or the owners of any of said lots shall violate any of the covenants herein, it shall be lawful for any other person or persons owning any of said lots to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenants or restrictions and either prevent him or her or them from doing so or to recover any actual damages suffered by reason of such violations.

Invalidation of any one of these covenants by judgment, Court Order or otherwise shall not in any way affect any of the other provisions which shall remain in full force and effect.

8. No lot shall be re-cut or re-subdivided so as to make more lots or to change the frontage of the lot as shown on the recorded plat. However, this restriction shall not be deemed to invalidate the sale of a small portion of a lot to the owner of any adjoining lot as long as the lot being reduced in size has a frontage of not less than 75 feet.
9. All two story dwellings constructed on these lots shall have not less than 1700 square feet and one story dwellings shall have not less than 1300 sq. ft. In determining this floor space, car ports, attached garages and porches shall not be included.
