Two (2) months assessment for each lot shall be required as a working capital fund for the initial months of the project's operation. Each lot's share of the working capital fund must be collected and transferred to the Association at the time of the initial closing of the sale of each lot (but not at subsequent lot sales) and maintained in an account for the use and benefit of the Association. Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 shall be sent to all members not less than fifteen (15) days nor more than forty-five (45) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty (60%) percent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots, on a per lot basis, and may be collected on a monthly basis.
