

11. (a) The Lessor shall, except as otherwise specified herein and except for damage resulting from the act or negligence of Postal Service agents or employees, maintain the demised premises, including the building and any and all equipment fixtures, and appurtenances, whether severable or non-severable, furnished by the Lessor under this lease, in good repair and tenantable condition. He shall repaint the interior (including but not limited to the walls and ceilings) at least once every 5 years (unless the 5-year period is specifically extended in writing by the Contracting Officer) and at any other time that painting may become necessary as a result of fire or other casualty. For the purpose of so maintaining said premises and property, the Lessor may at reasonable times enter and inspect the same and make necessary repairs thereto. Additionally, the Lessor shall designate maintenance repairmen, for electrical emergencies, for plumbing emergencies, for heating, ventilating and air conditioning emergencies and other emergencies (windows, doors, locks, etc.), who may be called by the Postal Service in the event of an emergency situation involving maintenance of the leased property and/or equipment when the Lessor or his agent cannot be contacted within a reasonable time.

(b) If the leased premises or any part thereof become unfit for use for the purposes for which leased, the Lessor shall put the same in satisfactory condition, as determined by the Postal Service, for the use for which leased, or any period the premises, or any part thereof, are unfit for the purposes for which leased, the rent shall be abated in proportion to the time unavailable to the Postal Service by reason of such condition. Unfitness for use does not include unsuitability arising from such causes as design, size, or location of the building or other portion of the leased premises.

(c) Whenever there is a need for maintenance or a repair which is the Lessor's obligation under subparagraph (a) of this paragraph 11, or for restoration of the premises or any part thereof to a condition suitable for the purpose for which leased, the Postal Service may give the Lessor written notice thereof, specifying a time for completion of the work which is reasonable and commensurate with the nature of the work required. A copy of any such notice shall be furnished by certified or registered mail to the Lessor's mortgagee and assignee of the monies due or to become due under this lease whose names and addresses have been furnished to the Postal Service by the Lessor. If the Lessor (or the mortgagee or the assignee, on behalf of the Lessor) fails to prosecute the work with such diligence as will ensure its completion within the time specified in the written notice (or any extension thereof as may be granted at the sole discretion of the Postal Service) or fails to complete the work within said time, the Postal Service shall have the right to perform the work, by contract or otherwise, and withhold the cost thereof from payments due or to become due under this lease, or, at the sole discretion of the Postal Service in the case of work required pursuant to paragraph (b), cancel the lease. The existence of the Postal Service's option to utilize the procedures prescribed in this subparagraph (c) does not relieve the Lessor of his affirmative obligation, under subparagraph (a) of this paragraph 11, to maintain the demised premises in good repair and tenantable condition, nor of his affirmative obligation under subparagraph (b) of this paragraph 11, to put the premises in satisfactory condition for the purposes for which leased, in the event that the premises, or any part thereof, become unfit for the purposes for which leased.

12. No member of or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of this lease or to any benefit that may arise therefrom; but this provision shall not be construed to extend to this lease if made with a corporation for its general benefit.

13. (The following clause is applicable when the leased space is in a building occupied by tenants or concessionaires in addition to the Postal Service and if the total rental under this lease exceeds \$10,000 per year, or, at the sole election of the Postal Service, if the total rental under this lease combined with the total rental under all other Federal Government leases of spaces in the building which the space covered by this lease is located exceeds \$10,000 per year.)

(a) As used in this clause, the term "facility" means stores, shops, restaurants, cafeterias, restrooms, and any other facility of a public nature in the building in which the space covered by this lease is located.

(b) The Lessor agrees that he will not discriminate by segregation or otherwise against any person or persons because of race, color, religion, sex or national origin in furnishing, or by refusing to furnish to, such person or persons the use of any facility, including any and all services, privileges, accommodations, and activities provided thereby.

(c) It is agreed that the Lessor's noncompliance with the provisions of this clause shall constitute a material breach of this lease. In the event of such noncompliance, the Postal Service may take appropriate action to enforce compliance, may terminate this lease, or may pursue such other remedies as may be provided by law. In the event of termination, the Lessor shall be liable for all excess costs incurred by the Postal Service in acquiring substitute space, including but not limited to the cost of moving to such space.

(d) The Lessor agrees to include or to require the inclusion of, the foregoing provisions of this clause (with the terms "Lessor" and "lease" appropriately modified) in every agreement or concession pursuant to which any person other than the Lessor operates or has the right to operate any facility. The Lessor also agrees that it will take such action with respect to any such agreement as the Postal Service may direct as a means of enforcing this clause, including but not limited to termination of the agreement or concession.

14. (The following is applicable if this agreement covers premises of net interior space in excess of 6,500 square feet.)

(a) All mechanics and laborers employed in construction, modification, alteration, repair, painting, decoration, or other improvement of the building or space covered by this agreement, or improvement at the site of the building or facility covered by this agreement (other than maintenance work necessary to keep the building or space in such condition that it may be continuously used at an established capacity and efficiency for its intended purpose), shall be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions are permitted by the Copeland Regulations (29 CFR Part 3)), the full amounts due at time of payment computed at wage rates not less than the aggregate of the basic hourly rates and the rates of payments, contributions, or costs for any fringe benefits contained in the wage determination decision of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the Lessor or subcontractor and such laborers and mechanics. A copy of such wage determination decision shall be kept posted by the Lessor at the site of the work in a prominent place where it can be easily seen by the workers.
