\$4,556,200

100

The Basic Value of each unit is \$59,950.

The "Basic Value" is used to establish the percentage of the co-owners in the common elements, and the expenses of, and rights in, the elements held in common, in compliance with the Horizontal Property Act of South Carolina.

The Basic Value is fixed solely for the purpose of said Act and the actual value may differ from the Basic Value.

The Basic Value of the units will not change.
