

be construed as a practical duplication thereof in the discretion of the Committee.

4. In the event said Committee fails to approve or disapprove such designs and plans within 30 days after said plans have been submitted to it, or in any event, if no suit to enjoin the erection or alteration of such building or improvement had been commenced before such erection or alteration is substantially completed, such prior approval will not be required and this covenant will be deemed to have been fully complied with and no suit or claim will be available to said Committee, nor to any lot owner or other person. The term "building or improvement" shall be deemed to include the erection, placement, or alteration of any outbuilding, wall or fence to be made in any lot.

5. The Committee is authorized by unanimous vote of all its members to approve or ratify in the construction or alteration of any building minor violations of the requirements herein set forth under Section II, "Setbacks, Location and Site of Improvements and Lots", if in the opinion of all the members of the Committee the same shall be necessary to prevent undue hardship because of topography, the shape of any platted lot or the setback lines as shown on the recorded Plat, and if in the opinion of the members of the Committee such violations will cause no substantial injury to any other lot owner. In no event may the Committee approve or ratify a violation of the front setback line of more than 5 feet or of the main building side line restriction of more than 4 feet or of the restrictions as to building size imposed by Section II hereof. The approval or ratification by the Committee in accordance with this paragraph shall be binding on all persons.
