

5. It is understood that Plantation does not, by consenting to the proposed installation of this underground facility across its pipeline confinement strip and underneath its facilities, assume any responsibility for the protection of its pipeline. Furthermore, all work performed in connection with this installation will be without expense, risk, or liability to Plantation or any of its directors, officers, agents, representatives or employees.
6. The crossing company and/or developer or their agent, will give a representative of Plantation's Division Office, at the above address, telephone number 704/864-2603 reasonable notice of the day on which the crossings(s) will be made, in order that arrangements can be made for necessary representatives of Plantation to be present.
7. As soon as practicable after the crossing installation is completed, the crossing company will furnish Plantation with a plat showing the "as in" location of its cable(s) at each crossing in respect to Plantation's pipeline(s) as to angle, depth, station number, etc. Plantation's pipeline station number may be obtained from its representative present at the time the crossing is made.

Note: Plantation's system at this point consists of three (3) line(s).
