Senior Project Manager
J. E. Sirrine Company
Post Office Box 5456
Greenville, South Carolina 29606

Re: Water Availability - Block Book 533.2-1-9.7 and
a Part of 533.2-1-9

Dear Mr. Putnam:

The Greenville Water System owns and maintains a 16-inch water main along Garlington Road to the Intersection of I-85 Frontage Road approximately 700' off Pelham Road. We will extend this line approximately 4300' under our standard reimbursement agreement with the developer of the above referenced tract.

Yours very truly,

GREENVILLE WATER SYSTEM

Marion R. Owens
Marion R. Owens, Director
Engineering Division
