Mr. Sam R. Putnam, Jr. A.I.A.
J. E. Serrine Company
P.O. Box 5456
Greenville, S.C. 29606

Dear Mr. Putnam:

Thank you for the opportunity to furnish the following information concerning electric power supply for the proposed Rolling Green Village.

Laurens Electric Cooperative power lines are presently located within a very close proximity of Rolling Green property on the west, south and east sides; at Shannon Forest Church, along Snipes Road, along Highway 14 and along Smith Road. These lines either now have the capacity or can be upgraded to provide service from two different sources to Rolling Green.

Power lines throughout the complex can be placed underground and street lighting as desired can be installed.

We hope this information is helpful.

Sincerely,

R. Edsel Culbertson
Staff Assistant
