

6. Assignor hereby consents to and irrevocably authorizes and directs the tenants under the Leases and any successor to the interest of any of said tenants, upon demand and notice from Assignee of Assignee's right to receive the rents and other amounts under such Leases, to pay to Assignee the rents and other amounts due or to become due under the Leases, and said tenants shall have the right to rely upon such demand and notice from Assignee and shall pay such rents and other amounts to Assignee without any obligation or right to determine the actual existence of any default or event claimed by Assignee as the basis for Assignee's right to receive such rents and other amounts and notwithstanding any notice from or claim of Assignor to the contrary, and Assignor shall have no right to claim against said tenants for any such rents and other amounts so paid by said tenants to Assignee.

7. Upon the occurrence of a default under the Note or any of the Security Instruments, Assignee, at its option, shall have the complete right, power and authority (a) without taking possession, to demand, collect and receive and sue for the rents and other sums payable under the Leases and, after deducting all reasonable costs and expenses of collection (including, without limitation, attorneys' fees) as determined by Assignee, apply the net proceeds thereof to the payment of any indebtedness secured hereby; (b) to declare all sums secured hereby immediately due and payable, and, at its option, exercise any or all of the rights and remedies contained in the Note and in the Security Instruments; and (c) without regard to the adequacy of the security, with or without process of law, personally or by agent or attorney, or by Assignee under the Mortgage, or by a receiver to be appointed by court, then and thereafter to enter upon, take and maintain possession of and operate the Mortgaged Property, or any part thereof, together with all documents, books, records, papers, and accounts relating thereto and exclude Assignor and its agents and servants therefrom and hold, operate, manage and control the Mortgaged Property or any part thereof as fully and to the same extent as Assignor could do if in possession and in such event, without limitation and at the expense of Assignor, from time to time, cause to be made all necessary or proper repairs, renewals, replacements, useful alterations, additions, betterments and improvements to the Mortgaged Property, or any part thereof, as Assignee deems judicious, and pay taxes, assessments and prior or proper charges on the Mortgaged Property, or any part thereof, and insure and reinsure the same, and lease the Mortgaged Property, or any part thereof, for such terms and on such terms as Assignee deems desirable, including leases for terms expiring beyond the maturity of the indebtedness secured by the Security Instruments and cancel any Lease or sublease thereof for any cause or on any ground which would entitle Assignor to cancel the same. Assignee may apply rents and other sums payable under the Leases to the payment of any cost or expense incurred hereunder.

8. After payment of all proper charges and expenses, including the just and reasonable compensation for the services of Assignee, its attorneys, agents, and others employed by Assignee in connection with the operation, management and control of the Mortgaged Property and the conduct of the business thereof, and such further sums as may be sufficient to indemnify Assignee from and against any liability, loss or damage on account of any matter or thing done in good faith in pursuance of the rights and powers of Assignee hereunder, Assignee may, at its option, credit the net amount of income which Assignee may receive by virtue of this Assignment and from the Mortgaged Property to any and all amounts due or owing to Assignee from Assignor under the terms and provisions of the Note and the Security Instruments. The balance, if any, of such net income shall be released to or upon the order of Assignor. The manner of the application of such net income and the item or items which shall be credited shall be within the sole discretion of Assignee.
