This Permit and License made and exe-
cuted in duplicate this the day of October
in the year one thousand eight hundred and
ninety four between To Be Rattle as Receiver
of the Carolina Knoxville & Western Railway Com-
pany forty of the first part and The Greenville
Road and Electric Light and Power Company of
Greenville S. C. forty of the second part. Whereas
the said forty of the second part desires to meet
and construct at its own cost and expense
a coal chute along the side track of the C. K. &
W. Ry near the C. K. & W. Depot in the city of Greenville
and a trans track leading therefrom over the adjoining
lot but no explosion upon the whole or part of the
parcel of ground hereinafter mentioned and
described being the property of the C. K. & W.
Ry. her as to the right of way and of the National
Bank of Augusta as to the said adjoining lot
and. Whereas the said forty of the first in view of
the advantage of increased facilities and accom-
modation for the handling and shipment of
freight furnished by the use and occupation
of said parcel of land by the said forty of the second
part as aforesaid consent to such use and occupa-
tion upon the terms and conditions hereinafter
made and contained. Now, Therefore this Permit
and License witnesses that for and in consid-
eration of the sum of one hundred and of the covenants
hereinafter made and set forth the said
the first does hereby permit and license the said
part of the second part to use and occupy a
strip or parcel of ground in the possession
