South Carolina

Persuant to a warrant from John Thomas Esq:

Dated 26th October 1785. I have measured and laid out unto the said Hampton & John Saver Esq's tract of Land Containing 20510 Acres Situate on both sides of the River Savannah Beginning on an ash tree under a large cleft of Rocks on the North side, Extending down the River to a place called the Duck under Cumberland Mountain including an Island bounded to the West by the said Hampton's and on every other side by vacant land and with such shape and marks as the above plot represents
Recorded 25th February 1786.
