

(C) In the event that the certificate of available gas supply filed with the Trustee for any December 1 pursuant to Section 8 of this Article 2 shall be a short term certificate and the terminal date with respect thereto shall be October 1, 1990 or an earlier date, the Company shall call for redemption and shall redeem on each of the two interest payment dates for the Bonds of the Second 1990 Series next succeeding such December 1, in lieu of the amount provided for in paragraph (A) of this Section for said respective dates, a principal amount of Bonds of the Second 1990 Series computed as follows:

(a) if the number of interest payment dates (herein referred to as the "remaining interest payment dates") on the Bonds of the Second 1990 Series beginning with the April 1 next succeeding such December 1 and continuing to and including the interest payment date next preceding such terminal date is six or more, such principal amount shall be the amount (increased, if necessary, to the next largest even multiple of \$1,000) equal to the quotient resulting from dividing (i) the aggregate principal amount of the Bonds of the Second 1990 Series outstanding on such December 1 by (ii) the number which is 22 more than the number of remaining interest payment dates; and

(b) if the number of remaining interest payment dates is less than six, such principal amount shall be the amount (increased, if necessary, to the next largest even multiple of \$1,000) constituting the respective portion stated below of the aggregate principal amount of the Bonds of the Second 1990 Series outstanding on such December 1:

Number of Remaining Interest Payment Dates	Portion of Outstanding Bonds to be Redeemed on The Next Following	
	April 1	October 1
5 .....	1/27th	13/54ths
4 .....	1/4	1/4
3 .....	1/3	1/3
2 .....	1/2	1/2
1 .....	Entire Amount	

provided that, unless the certificate of available gas supply filed for any December 1 shall be signed by an independent engineer, the principal amount of Bonds of the Second 1990 Series to be retired on the two
