

All Bonds of the 1984 Series and the coupons appertaining thereto delivered to the Trustee for the sinking fund or redeemed for the sinking fund shall be cancelled by the Trustee, and so long as any of the Bonds of the 1984 Series are outstanding, no Bonds of the 1984 Series or of any other series outstanding at or prior to January 1, 1964 which are or were delivered to the Trustee for the sinking fund or redeemed for the sinking fund for any of said series shall be made the basis of the authentication and delivery of additional Bonds pursuant to §3.06 of the Indenture or the withdrawal of cash included in the trust estate or (except as permitted by paragraph (D) of Section 7, Article 2, of the supplemental indentures hereinabove referred to dated December 1, 1954, April 1, 1956, April 1, 1957, May 15, 1958, January 15, 1959, July 15, 1959, April 15, 1960, April 15, 1961 and April 15, 1962, respectively, with respect to the series of Bonds provided for therein, respectively, and by paragraph (D) of this Section 7 with respect to the Bonds of the 1984 Series) the reduction of the amount of cash required to be deposited in the trust estate under any provision of the Indenture.

SECTION 8. The Company covenants that, so long as any Bonds of the 1984 Series are outstanding, it will file with the Trustee annually on or before December 1 in each year beginning with the year 1964 to and including December 1, 1982, a certificate of available gas supply stating that, in the opinion of the signer or signers of such certificate, the date of exhaustion of the Company's available gas supply will be a date not earlier than January 1, 1986 or will be a specified date earlier than January 1, 1986. Any such certificate which states that the date of exhaustion of available gas supply will be a specified date earlier than January 1, 1986 is herein referred to as a "short term certificate."

Each such annual certificate of available gas supply shall be an engineer's certificate except that each certificate filed for December 1 in the years 1965, 1967, 1970, 1973, 1976, 1979 and 1982 shall be an independent engineer's certificate and any other certificate of available gas supply may be an independent engineer's certificate if the Company so determines. Each certificate of available gas supply shall include
