

of said contour line to the Beginning, Stone no. 5-3, near South east end of said dam; containing 20.8 acres, more or less.

Also all of those rights, privileges and easements, conveyed by J. O. Bell and others to the Green River Mfg. Co. by deed dated Dec. 26, 1907, and of record in Book 61, page 5-95, of the records of Deeds for Henderson County, and embraced within the following described boundary, to-wit:

Beginning at a stake in the western boundary line of the E. T. Stator 7-acre Tract, South side of river, where the water line contour elevation 200 feet datum herein before referred to crosses said boundary line, it being the fourth corner of the tract of land above described, and run up Green River, South side, and with meanders of said contour line, as shown by map herein before referred to, about 4000 feet (measured in a straight line) to the limit of back water in Green River from the dam of the said Green River Manufacturing Company, thence down said river, north side, with the meanders of said contour line, about 4500 feet (measured in a straight line) to where said contour line crossed the western boundary line of the Baring Tract, being the seventh corner of the tract above described; thence with said Baring line, South $5^{\circ} 20'$ West to a point at or opposite the center of Green River, being the sixth corner of the tract above described; thence up and with the meanders of said river, about 1100 feet to a stake in line of E. T. Stator Seven-acre tract, South side of river; thence South 23° East with said line to the beginning. Containing 20 acres, more or less.

Fifth Tract:-

All those certain tracts, parcels or lots of land lying and being in the County of Pick, in the State of North Carolina, more particularly described as follows:

First Lot:

Beginning on an iron pin on the South bank of Green River, corner of lands of Mrs. F. C. Jones and C. H. Ruppe and the David Thompson Tract of Manufacturers Power Company, thence along the Ruppe Thompson line N. 88.36° W. 295 feet to stake; thence N. 48.05° W. 530 feet to stake near South end of dam as located; thence
