ARTICLE EIGHTEENTH.

Definitions.

The word "Trustee," except when limited by the context, shall for all purposes be taken to mean the corporation which shall, for the time being, and from time to time, be charged with the execution of the trusts hereby created. Unless the context recognizes a different interpretation, the word "Company" means Broad River Power Company. The words "bond", "bondholder" and "holder" shall include the plural as well as the singular number, and the word "amount", where used with reference to the bonds issuable hereunder, shall signify the principal amount, whether or not so expressed.

The words "and" and "or" as used herein shall each be construed to include the other when the context or the conditions where the same are used require such construction.

The descriptive headings of the various articles of this Mortgage were formulated, used and inserted in this Mortgage for convenience only and shall not be deemed to affect the meaning or construction of any of the provisions hereof.

This Mortgage shall be executed simultaneously in any number of counterparts, and all said counterparts executed and delivered, each as an original, shall constitute but one and the same instrument.
