Personally before me appeared R. D. Johnson who being duly sworn, says that he is the bona fide owner and holder of a note and mortgage in the original sum of \$2,996.81 executed to him by G. W. Wynn on the 23rd day of October 1920, said mortgage being on record in the R. P. O. Office for Greenville County in mortgage book # 92 page # 63. That he therefore during the year of 1920 he hypothecated said note and mortgage with the Citizens Building and Loan Association to secure personal indebtedness of this deponent to said Building and Loan Association and at that time transferred and delivered said note and mortgage to said Building and Loan Association but the assigned thereof was never recorded. That said Building and Loan Association has misplaced or lost said note and mortgage and has this day by separate instrument released said note and mortgage from said hypothecation and has transferred and assigned to the deponent all of its right, title and interest in said note and mortgage and by reason thereof the deponent is the lawful owner of same. The deponent further states that said mortgage was not been assigned or hypothecated by him, other than above mentioned and verily believes that the Citizens Building and Loan Association has not assigned or hypothecated said mortgage except as above stated and the deponent further knows that said note and mortgage was been lost or destroyed and cannot be found after diligent search. The deponent further states that he has full authority to make the mortgage satisfied
