John E. Hall  
Sybil Dill Hall

The mortgagor, in order more fully to protect the security of this mortgage, does hereby covenant and agree that, together with and in addition to the monthly payments of principal and interest payable under the terms of the note or bond secured hereby, he will pay monthly to the mortgagee on the first day of each month until the said note or bond is fully paid, a sum equal to one-twelfth (1/12) of the known or estimated yearly taxes and assessments levied against the herein described premises, and also one-twelfth (1/12) of the known or estimated yearly premiums that will become due and payable to maintain in force the insurance on the premises herein described. Such estimates shall be made by the mortgagee, its successors or assigns. The mortgagee shall hold such monthly payments in trust, without obligation to pay interest thereon, to pay such insurance premiums, taxes and assessments when due. If the total of monthly payments as made under this paragraph shall exceed the amounts of payments actually made by the mortgagee for insurance premiums, taxes and assessments, as the case may be, such excess shall be credited on subsequent monthly payments of the same nature, but if the total of such monthly payments so made under this paragraph shall be insufficient to pay insurance premiums, taxes and assessments when due, then the mortgagor shall upon demand pay to the mortgagee the amount necessary to make up the deficiency. If, in accordance with the terms and provisions of the note or bond secured hereby, the mortgagor shall make full payment of the entire indebtedness of the note or bond secured hereby, the mortgagee will refund the balance of funds accumulated under the provisions of this paragraph. To the extent that all the provisions of this paragraph for such payments of insurance premiums, taxes and assessments to the mortgagee are complied with, the mortgagor shall be relieved from compliance with such covenants herein, and/or in the note or bond secured hereby, as provide for the payment of insurance premiums, taxes and assessments by the mortgagor; but nothing in this paragraph contained shall be construed as in anywise limiting the right of the mortgagee, at its option, to pay any insurance premiums, taxes and assessments when due. In the event of default in the payment of any monthly or other instalment of insurance premiums, taxes or assessments as provided in this paragraph, or in the event of default in making payment of the amount necessary to make up a deficiency in such monthly payments, as hereinbefore provided, the mortgagee shall have the same right at its option to invoke any and all the rights and remedies provided in the mortgage or in the note or bond secured hereby, as it would for defaults in performance of any other terms, conditions, agreements or covenants contained in the mortgage or the note or bond which it secures.

Further, in the event of default under the provisions of the mortgage resulting in a public sale of the premises covered hereby, or if the property is otherwise acquired after default, the mortgagee shall apply, either at the time of the commencement of proceedings upon default or at the time of sale thereunder as the case may be, or at the time the property is otherwise acquired, any balance then remaining in the funds accumulated under the provisions of this rider for insurance premiums, taxes and assessments, as a credit against the principal then remaining unpaid under said note or bond.

The word "mortgagee" as used in this rider shall be construed to mean the owner and holder of the security instrument to which this rider is attached whether said security instrument be a mortgage, deed of trust or a loan deed, and shall include the original owner and holder of said security instrument or any assignee, or transferee thereof. The word "mortgagor" as used in this rider shall be construed to mean the maker and/or makers of said security instrument whether said maker and/or makers be mortgagors in a mortgage or grantors in a deed of trust or loan deed, and shall also be construed to include the vendees, devisees, heirs and assigns of such mortgagor; and the word "mortgage" as used in this rider shall be construed to mean mortgage, deed of trust or loan deed or other instrument securing the payment of the note or bond hereinbefore referred to.

This Mortgage secures a loan guaranteed under Section (505) of the Servicemen's Readjustment Act of 1944, as amended, and Regulations issued under the Act and in effect on the date that this loan is submitted and accepted or approved for guaranty shall govern the rights, duties and liabilities of the parties to such loan, and any provisions of the loan instruments inconsistent with such Regulations are hereby amended and supplemented to conform thereto. Should the Veterans' Administration fail or refuse to issue its guaranty of the loan secured by this mortgage under the provisions of the Servicemen's Readjustment Act of 1944, as amended, in the amount of \$ 896.49 , within sixty days from the date the loan would normally become eligible for such guaranty, the mortgagee herein may, at its option, declare all sums secured by this mortgage immediately due and payable.

It is agreed between the parties hereto that if the mortgagor does not maintain the premises in reasonable repair the mortgagee may do so and may add to the indebtedness any reasonable expense necessary and proper for the maintenance or repair of the security.

Witness our hands and seals this 25th day of March in the year of our Lord one thousand nine hundred and forty-eight and in the one hundred and seventy-second year of the Sovereignty and Independence of the United States of America.

Signed, sealed and delivered in the presence of
