

And the said mortgagor agree to insure the house and buildings on said lot in a sum not less than the insurable value thereof in a company or companies satisfactory to the mortgagee and keep the same insured from loss by fire, and assign the policy of insurance to the said mortgagee and that in the event that the mortgagee at any time fail to do so, then the said mortgagee may cause the same to be insured in his own name and reimburse himself for the premium and expense of such insurance under this mortgage, with interest.

And if at any time any part of said debt, or interest thereon, be past due and unpaid, I do hereby assign the rents and profits of the above described premises to said mortgagee, his assigns or Assigns, and agree that any Judge of the Circuit Court of said State may, at chambers or otherwise, appoint a receiver, with authority to take possession of said premises and collect said rents and profits, applying the net proceeds thereafter (after paying costs of collection) upon said debt, interest, costs or expenses; without liability to account for anything more than the rents and profits actually collected.

PROVIDED ALWAYS, nevertheless, and it is the true intent and meaning of the parties to these Presents, that if I the said mortgagor do and shall well and truly pay or cause to be paid unto the said mortgagee the debt or sum of money aforesaid, with interest thereon, if any be due, according to the true intent and meaning of the said note, then this deed of bargain and sale shall cease, determine, and be utterly null and void; otherwise to remain in full force and virtue.

AND IT IS AGREED by and between the said parties that said mortgagor is to hold and enjoy the said Premises until default of payment shall be made.
