The above metes and bounds include the entire 32.9 acres, but the lien of this mortgage covers only 18.14 acres, or the balance of the 32.9 acre-tract, after the conveyance of the 14.76 acres to W. N. and Edna H. McKinney by deed dated June 15, 1946, recorded in Volume 294 at Page 148.

It is understood that this mortgage is junior in lien to a mortgage executed by the mortgagor to Fidelity Federal Savings & Loan Association.

Together with all and singular the rights, members, hereditaments, and appurtenances to the same belonging or in any way incident or appertaining, and all of the rents, issues, and profits which may arise or be had therefrom, and including all heating, plumbing, and lighting fixtures and any other equipment or fixtures now or hereafter attached, connected, or fitted thereto in any manner; it being the intention of the parties hereto that all such fixtures and equipment, other than the usual household furniture, be considered a part of the real estate.
