hereby assign the rents and profits of the above described premises to said mortgagee, or its successors, Executors, Administrators or Assigns, and agree that any Judge of the Circuit Court of said State may, at chambers or otherwise, appoint a receiver, with authority to take possession of said premises and collect said rents and profits, applying the net proceeds thereafter (after paying costs of collection) upon said debt, interest, costs or expenses; without liability to account for anything more than the rents and profits actually collected.
