- (2) That it will keep the improvements now existing or hereafter erected on the mortgaged property insured as may be required from time to time by the Mortgagee against loss by fire and any other hazards specified by Mortgagee, in an amount not less than the mortgage debt, or in such amounts as may be required by the Mortgagee, and in companies acceptable to it, and that all such policies and treats thereof shall be held by the Mortgagee, and that it does hereby assign to the Mortgagee the proceeds of any policy insuring the mortgaged premises and does hereby authorize each insurance company concerned to make payment for a loss directly to the Mortgagee, to the extent of the balance owing on the Mortgage debt, whether due or not.
- (3) That it will keep all improvements now existing or hereafter erected in good repair, and, in the case of a construction loan, that it will continue construction until completion without interruption, and should it fail to do so, the Mortgages may, at its option, enter upon said premises, make whatever repairs are necessary, including the completion of any construction work underway, and charge the expenses for such repairs or the completion of such construction to the mortgage debt.
- (4) That it will pay, when due, all taxes, public assessments, and other governmental or municipal charges, fines of other impositions against the mortgaged premises. That it will comply with all governmental and municipal laws and regulations affecting the mortgaged premises.
