

ARTICLE XIII

RETIREMENT OF BONDS BEFORE MATURITY AND CONDEMNATION

Section 13.01. It is not desired to limit or restrict the right of the County to accelerate the retirement of the bonds through the application to such retirement of funds (other than those to be derived as rentals under Section 3.01 of Article XIV of the Lease Agreement), and it is accordingly expressly understood and agreed that nothing in this Indenture shall be construed as to prohibit the County in its discretion from placing in the Bond Fund such funds as it may have available from other sources and which may be legally applicable to such purposes and utilizing the same for the retirement of bonds in advance of maturity through purchase or redemption in the manner and subject to the limitation provided in Section 4.03 of this Indenture and Section 8.02 of the Lease Agreement for the advance retirement of bonds.
