

does hereby ratify and confirm its mortgage and pledge of, and its grant to the Trustees of a security interest in, all property (other than property heretofore released or otherwise discharged from the lien of the Indenture) described in the Indenture, and has granted, bargained, sold, warranted, aliened, remised, released, conveyed, assigned, transferred, mortgaged, pledged, set over and confirmed and by these presents does grant, bargain, sell, warrant, alien, remise, release, convey, assign, transfer, mortgage, pledge, set over, and confirm unto The Chase Manhattan Bank (National Association) and C. F. Ruge as Trustees, and to their successors and assigns forever, and has granted and by these presents does grant unto said Trustees, and their successors and assigns, forever, a security interest in, all and singular the following described properties, together with the properties described in the Indenture (other than property heretofore released or otherwise discharged from the lien of the Indenture)—that is to say:

#### FIRST

##### PIPE LINES

All of the following described pipe lines for the transportation and supply of natural gas acquired or constructed by the Company and not heretofore described in the granting clauses of the Indenture, and all real estate and rights-of-way acquired by the Company pertaining to said pipe lines or used or useful in the operation thereof:

#### MAIN LINE LOOPS

##### MISSISSIPPI

One 42-inch main line loop (Line "D"), approximately 13.35 miles in length, beginning at Compressor Station No. 70, located in Section 9, T-3-N, R-10-E, Walthall County, and continuing in an easterly direction to the west end of the existing loop at approximate Mile Post 674.96, located in Section 4, T-4-N, R-12-E, Marion County, all in the state of Mississippi. Included in this loop section is a main line valve and scraper trap assembly with tie-over to the discharge header at Compressor Station No. 70.

##### ALABAMA

One 42-inch main line loop (Line "D"), approximately 10.41 miles in length, beginning at Compressor Station No. 90, located in Section
