herein called "Borrower," and (b) justly indebted to the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture, herein called the "Government," as evidenced by one or more certain promissory note(s) or assumption agreement(s), herein called "note" (if more than one note is described below the word "note" as used herein shall be construed as referring to such note singly or all notes collectively, as the context may require), said note being executed by Borrower, being payable to the order of the Government in installments as specified therein, authorizing acceleration of the entire indebtedness at the option of the Government upon any default by Borrower, and being further described as follows:

WHEREAS, when payment of the note is insured by the Government, it may be assigned from time to time and each holder of the insured note, in turn, will be the insured lender; and

WHEREAS, when payment of the note is insured by the Government, the Government will execute and deliver to the insured lender along with the note an insurance endorsement insuring the payment of all amounts payable to the insured lender in connection with the loan; and

WHEREAS, a condition of the insurance of payment of the note will be that the holder will forego his rights and remedies against Borrower and any others in connection with the loan evidenced thereby, as well as any benefit of this instrument, and will accept the benefits of such insurance in lieu thereof, and upon the Government's request will assign the note to the Government; and

WHEREAS, it is the purpose and intent of this instrument that, among other things, at all times when the note is held by the Government, or in the event the Government should assign the instrument without insurance of the note, this instrument shall secure payment of the note; but when the note is held by an insured lender, this instrument shall not secure payment of the note or attach to the debt evidenced thereby, but as to the note and such debt shall constitute an indemnity mortgage to secure the Government against loss under its insurance endorsement by reason of any default by Borrower;
