All of the Series A Bonds are issued under and equally and ratably secured as to principal, premium, if any, and interest by an Indenture of Mortgage and Deed of Trust (hereinafter called the "Indenture") dated as of April 1, 1971, executed by the County and the Trustee, to all of the provisions of which any holder of this Bond by his acceptance hereof thereby assents and to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the trust estate, the nature and extent of the security, and a statement of the terms and conditions upon which the Series A Bonds are issued and secured, the rights of the holders thereof and of the Trustee thereunder, and the indebtedness which is equally secured and the other matters set forth therein.
