At any sale hereunder the Trustee or any noteholder or noteholders shall have the right to bid for and purchase the Trust Estate, or such part thereof as shall be offered for sale, and any noteholder or noteholders may apply in settlement of the purchase price of the property so purchased the portion of the net proceeds of such sale which would be applicable to the payment of account of the principal of and interest on the note or notes held by such noteholder or noteholders, and such amount so applied shall be credited as a payment on account of principal of and interest on the note or notes held by such noteholder or noteholders.

SECTION 4. Any proceeds or funds arising from the exercise of any rights or the enforcement of any remedies herein provided, after the payment or provision for the payment of any and all costs and expenses of the Trustee, its agents, employees, and counsel in connection with the exercise of such rights or the enforcement of such remedies, shall be applied by the Trustee: first, to the payment of indebtedness hereby secured other than the principal of or interest on the notes; second, to the ratable payment of interest which shall have accrued on the notes and which shall be unpaid; third, to the ratable payment of or on account of the unpaid principal of the notes; and the balance, if any, shall be paid to whosoever shall be entitled thereto.
