

- (4) Whether or not the note is honored by the Government, the Government may at any time pay any other amounts required herein to be paid by Borrower and his wife by this note due, as well as any costs and expenses for the preservation, protection, or enforcement of this note, or advances for the account of Borrower; all such advances shall bear interest at the rate borne by the note which has the highest interest rate.
- (5) All advances by the Government as described in this instrument, with interest, shall be immediately due and payable by Borrower to the Government, either during or the place released in the loan note and shall be accrued hereby. No such advances by the Government shall release Borrower from the duty of the Government to pay. Such advances, with interest, shall be repaid from the first available collections received from Borrower. Otherwise, any amount paid by Borrower may be applied as the date of any indebtedness to the Government accrued thereby, but only under the Government's direction.
- (6) To use the loan so desired by the note holder for purposes authorized by the Government.
- (7) To pay when due all taxes, leases, judgments, assessments and assessments lawfully attaching to or assessed against the property and promptly deliver to the Government without demand or notice evidencing such payments.
- (8) To keep the property insured as required by and under insurance policies approved by, delivered to, and retained by the Government.
- (9) To maintain improvements in good repair and make repairs required by the Government; operate the property in a good and husband-like manner, comply with such fire, conservation, sanitation and home and home management plans as the Government from time to time may prescribe, and not to abandon the property, or cause or permit waste, lessening or impairment of the security covered hereby, or, without the written consent of the Government, cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals except as may be necessary for ordinary domestic purposes.

- (11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorney's fees, court costs, and expenses of advertising, selling, and conveying the property.
- (12) Neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered, voluntarily or otherwise, without the written consent of the Government. - (15) If at any due date it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured thereby and do pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.
- (16) Default hereunder shall constitute default under any other real estate, or under any personal property or other security instrument held or mortgaged by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.

At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount on any debts of Borrower owing to or incurred by the Government in the order prescribed above.
- (19) As against the debt evidenced by the note and any indebtedness to the Government hereby secured, with respect to the property, Borrower (a) hereby relinquishes,放弃, and conveys all rights, inheritance or consummate, of descent, dower, curtesy, homestead, reversion, appraisal, and executive, to which Borrower is or becomes entitled under the laws and constitution of the jurisdiction where the property lies, and (b) hereby agrees that any right provided by such laws or constitution for redemption or possession following foreclosure sale shall not apply, and that no right of redemption or possession shall exist after foreclosure sale.
