

(6) Whether or not the note is insured by the Government, the Government may at any time pay any other amounts required herein to be paid by Borrower and not paid by him about due, as well as any costs and expenses for the preservation, protection, or enforcement of this lien, as advanced for the amount of Borrower's debt and interest thereon, and shall be paid by the note which has the highest interest rate.

(7) All advances by the Government of principal or interest on the note shall be made by check or money order, and shall be payable by Borrower to the Government within the amount of the principal and interest on the note, and shall be advanced hereon by the Government subject to the Government's right to require Borrower to pay, and to accept, the note which has the highest interest rate from the first available collections received from Borrower. The Government shall have the right to require Borrower to pay, and to accept, the note which has the highest interest rate from the first available collections received from Borrower.

(8) To secure the debt evidenced by the note, Borrower hereby conveys, assigns, transfers, and mortgages to the Government all the property and interest therein which is owned, controlled, or possessed by Borrower at the time of the execution of this instrument, and all other property and interest therein which may hereafter be acquired by Borrower, and all other property and interest therein which may hereafter be acquired by Borrower.

(9) The Government shall have the right to take possession of the property covered hereby, and to sell, lease, or otherwise dispose of the same, and to convey the same to any person, and to execute any instrument necessary to carry out the purposes of this instrument, and to do all other acts which may be necessary or proper to carry out the purposes of this instrument.

(10) The Government shall have the right to take possession of the property covered hereby, and to sell, lease, or otherwise dispose of the same, and to convey the same to any person, and to execute any instrument necessary to carry out the purposes of this instrument, and to do all other acts which may be necessary or proper to carry out the purposes of this instrument.

(11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and conveying the property.

(12) Neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered, voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured lender shall have any right, title or interest in or to the lien or any benefits hereof.

(13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.

(14) The Government may extend and defer the maturity of and renew and reamortize the debt evidenced by the note or any indebtedness to the Government secured hereby, release from liability to the Government any party so liable thereon, release portions of the property from and subordinate the lien hereof, and waive any other rights hereunder, without affecting the lien or priority hereof or the liability to the Government of Borrower or any other party for payment of the note or indebtedness secured hereby except as specified by the Government in writing.

(15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.

(16) Default hereunder shall constitute default under any other real estate, or under any personal property or other, security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.

(17) SHOULD DEFAULT occur in the performance or discharge of any obligation secured by this instrument, or should any one of the parties named as Borrower die or be declared an incompetent, a bankrupt, or an insolvent, or make an assignment for the benefit of creditors, the Government at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future law.

(18) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (f) any balance to Borrower. At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.

(19) As against the debt evidenced by the note and any indebtedness to the Government hereby secured, with respect to the property, Borrower (a) hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent, dower, curtesy, homestead, valuation, appraisal, and exemption, to which Borrower is or becomes entitled under the laws and constitution of the jurisdiction where the property lies, and (b) hereby agrees that any right provided by such laws or constitution for redemption or possession following foreclosure sale shall not apply, and that no right of redemption or possession shall exist after foreclosure sale.
