their successors, heirs, and assigns (jointly and severally, hereinafter referred to as Owners) and the undersigned Secretary of Housing and Urban Development and his successors, acting by and through the Federal Housing Commissioner (hereinafter called Commissioner).

In consideration of the endorsement for insurance by the Commissioner of the above described note or in consideration of the consent of the Commissioner to the transfer of the mortgaged property, and in order to comply with the requirements of Section 236 of the National Housing Act, as amended, and the Regulations adopted by the Commissioner pursuant thereto, Owners agree for themselves, their successors, heirs and assigns, that in connection with the mortgaged property and the project operated thereon and so long as the contract of mortgage insurance continues in effect, and during such further period of time as the Commissioner shall be the owner, holder or reinsurer of the mortgage, or during any time the Commissioner is obligated to insure a mortgage on the mortgaged property:

1. Owners, except as limited by paragraph 17 hereof, shall promptly make all payments due under the note and mortgage; provided, however, that the Commissioner shall make payments to the mortgagee on behalf of the Owners in accordance with the interest reduction contract between the mortgagee and the Commissioner.
2. (a) Owners shall establish or continue to maintain a reserve fund for replacements by the allocation to such reserve fund in a separate account with the mortgagee or in a safe and responsible depository designated by the mortgagee, concurrently with the beginning of payments towards amortization of the principal of the mortgage insured or held by the Commissioner of an amount equal to \$ 709.59----- per month unless a different date or amount is approved in writing by the Commissioner. Such fund, whether in the form of a cash deposit or invested in obligations of, or fully guaranteed as to principal by, the United States of America, shall at all times be under the control of the mortgagee. Disbursements from such fund, whether for the purpose of effecting replacement of structural elements and mechanical equipment of the project or for any other purpose, may be made only after receiving the consent in writing of the Commissioner. In the event of a default in the terms of the Mortgage, pursuant to which the loan has been accelerated, the Commissioner may apply or authorize the application of the balance in such fund to the amount due on the mortgage debt as accelerated.
- (b) Where Owners are acquiring a project already subject to an insured mortgage, the reserve fund for replacements to be established will be equal to the amount due to be in such fund under existing agreements or charter provisions at the time Owners acquire such project, and payments hereunder shall begin with the first payment due on the mortgage after acquisition, unless some other method of establishing and maintaining the fund is approved or required in writing by the Commissioner.
- (c) Owners shall establish and maintain, in addition to the reserve fund for replacements, a residual receipts fund by depositing thereto, with the mortgagee, the residual receipts, as defined herein, within 60 days after the end of the semiannual or annual fiscal period within which such receipts are realized. Residual receipts shall be under the control of the Commissioner, and shall be disbursed only on the direction of the Commissioner, who shall have the power and authority to direct that the residual receipts, or any part thereof, be used for such purpose as he may determine.
3. Real property covered by the mortgage and this Agreement is described in Schedule A attached hereto.
4. The Owners covenant and agree that:
 - (a) with the prior approval of the Commissioner, they will establish for each dwelling unit (1) a basic rental charge determined on the basis of operating the project with payments of principal and interest under a mortgage bearing interest at one percent and (2) a fair market rental charge determined on the basis of operating the project with payments of principal, interest and mortgage insurance premiums due under the insured mortgage on the project;
