The Mortgagor represents and warrants that said Mortgagor is lawfully seized of the premises hereinabove described in fee simple absolute, that the above described premises are free and clear of all liens and encumbrances except for [illegible] and that the Mortgagor will warrant and forever defend the title to the premises unto the Mortgagee and every person whomsoever lawfully claiming or to claim the same or any part thereof.

THE MORTGAGOR COVENANTS AND AGREES AS FOLLOWS:

1. That the Mortgagor will promptly pay the principal and interest and other sums and charges payable under the terms of the note secured hereby at the times and in the manner therein provided.

2. That this mortgage will secure the Mortgagee for any additional loans or future advances that may be made at the option of the Mortgagee for the payment of taxes or public assessments levied against the premises described herein, and for any other purpose authorized by the provisions of the mortgage, and also for any future or advances that may be made by the Mortgagee to the Mortgagor hereafter pursuant to the authority of Sec. 45-55, 1962 Code of Laws of South Carolina or any amendment thereof. Any such future advances shall be at interest at the same rate or rates as that provided in said note, unless otherwise agreed, and shall be payable at the demand of the Mortgagee, unless otherwise provided in writing.

3. That Mortgagor will keep the improvements on the mortgaged premises and fixtures and appurtenances thereto insured against loss by fire, windstorm and other hazards in a company or companies satisfactory to the Mortgagee, and Mortgagor does hereby assign to the Mortgagee the proceeds of any policy insuring the premises against loss by fire or other hazards, to the extent of the debt secured hereby, and Mortgagor agrees that all such policies shall be held by the Mortgagee and shall contain a standard mortgagee clause in favor of the Mortgagee, and in the event of loss, Mortgagor will give immediate notice thereof to the Mortgagee, who may make proof of loss if not made promptly by Mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to the Mortgagee instead of to the Mortgagor and Mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by Mortgagee at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In the event of foreclosure of this mortgage or other transfer of title to the mortgaged property in extinguishment of the indebtedness secured hereby, all right, title and interest of the Mortgagor in and to all insurance policies then in force shall pass to the purchaser or grantee. In the event the Mortgagor fails to keep the premises insured as above required or in the event Mortgagor fails to deliver the policies to the Mortgagee at least ten days prior to the expiration date of any such policy, the Mortgagee may, but shall not be required to, effect insurance in any amount not exceeding the original amount of the indebtedness hereby secured, payable in case of loss to the Mortgagee, and may pay the premiums therefor, and the Mortgagor agrees to reimburse the Mortgagee for any sum so paid, upon demand, with interest at the rate specified in the note secured hereby. Any amounts disbursed by the Mortgagee pursuant to the provisions of this paragraph, with interest thereon at the rate specified in the note secured hereby, shall become a part of the indebtedness secured by this mortgage, and shall be immediately due and payable without notice and with interest thereon from the date of disbursement at the rate specified in the note secured hereby. Inability or failure of the Mortgagee to procure such insurance or to give notice to or make demand upon the Mortgagor with respect thereto shall not relieve the Mortgagor of any obligation hereunder.

4. That the Mortgagor will keep all improvements upon the mortgaged property and fixtures and appurtenances thereto in good repair and will not commit or suffer any waste of the property. The Mortgagee may make or cause to be made reasonable entries upon and inspections of the property, provided that the Mortgagee shall give the Mortgagor notice prior to any such inspection specifying reasonable cause therefor related to the Mortgagee's interest in the property.

5. That the Mortgagor may at any time require the cancellation of mortgage upon the life of any person insured under the indebtedness secured hereby in a sum sufficient to pay the mortgage debt, and if the Mortgagor so elects and all the premiums are not otherwise paid, the Mortgagor may pay said premiums, which shall become a part of the mortgage debt.

6. That Mortgagor agrees to pay all taxes and other public assessments levied on the mortgaged premises on or before the due dates thereof and to exhibit the receipts therefor to the Mortgagee upon demand, and should the Mortgagor fail to pay such taxes and assessments when the same shall fall due, the Mortgagee may, at its option, pay the same and charge the amounts so paid to the mortgage debt and collect the same under the mortgage with interest as above provided.

7. That if this mortgage secures a "construction loan", the Mortgagee agrees that the principal sum and the indebtedness hereby secured shall be disbursed to the Mortgagor in periodic payments as construction progresses in accordance with the terms and conditions of a Construction Loan Agreement of which is separately executed by the Mortgagor and incorporated herein by reference.

8. That the Mortgagor will not further encumber the premises described herein without the prior consent of the Mortgagee and should the Mortgagor nevertheless sell, convey or further encumber the premises, the indebtedness hereby secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.

9. That should the Mortgagor alienate the mortgaged premises by Contract of Sale, Bond for Title or Deed of Conveyance and the within mortgage indebtedness is not paid in full, the Mortgagee or its Purchaser shall be required to file with the Association an application for an assumption of the mortgage indebtedness, pay the reasonable cost as provided by the Association for processing the assumption, furnish the Association with a copy of the Contract of Sale, Bond for Title or Deed of Conveyance, and have the interest rate on the loan balance existing at the time of transfer established by the Association, the interest rate on the said loan balance to the maximum rate per annum permitted to be charged at that time by applicable South Carolina law or a lesser increase in interest rate as may be determined by the Association. The Association will credit the Mortgagee's account with the same interest rate and monthly payments and will mail him a new payment book. Should the Mortgagor or his Purchaser fail to comply with the provisions of the within paragraph, the Mortgagee at its option may declare the indebtedness hereby secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.

10. That should the Mortgagor fail to make payments of principal and interest as due on the promissory note and the same shall be unpaid for a period of thirty (30) days or if there should be any failure to comply with and abide by any by-laws or the charter of the Mortgagee, or any stipulations set out in this mortgage, the Mortgagee, at its option, may write to the Mortgagor at his last known address giving him thirty (30) days in which to receive the said default and should the Mortgagor fail to receive said default within the said thirty days the Mortgagee may, at its option, increase the interest rate on the loan balance for the remaining term of the loan or for a lesser term to the maximum rate per annum permitted to be charged at that time by applicable South Carolina law or a lesser increase rate as may be determined by the Association. The monthly payments will be adjusted accordingly.

11. That should the Mortgagor fail to make payments of principal and interest as due on the promissory note and should any monthly installment become past due for a period in excess of 15 days, the Mortgagee may collect a "late charge" not to exceed an amount equal to five (5%) per centum of any such past due installment in order to cover the extra expense involved in the handling of such delinquent payments.

12. That the Mortgagor hereby assigns to the Mortgagee, its successors and assigns, all the rents, issues and profits accruing from the mortgaged premises, retaining the right to collect the same so long as the debt hereby secured is paid in accordance with the terms of payment but should any part of the principal indebtedness, or interest, taxes or fire insurance premiums be past due and unpaid the Mortgagee may, without notice or further proceedings, take over the mortgaged premises, if then vacant, or any part thereof, as mortgagee in possession, and collect said rents and profits and apply the same to the indebtedness hereby secured, without liability to account for anything more than the rents and profits actually collected, less the cost of collection, and any tenant is authorized upon request by Mortgagee to make all rental payments direct to the Mortgagee without liability to the Mortgagor and without inquiry as to the existence of a default by the Mortgagor and should said premises at the time of such default be occupied by the Mortgagor, the Mortgagee may apply to the Judge of the County Court or to any Judge of the Court of Common Pleas who shall be resident or presiding in the county aforesaid for the appointment of a receiver with authority to take possession of said premises and collect such rents and profits, applying said rents, after paying the cost of collection, to the mortgage debt without liability to account for anything more than the rents and profits actually collected.

13. That the Mortgagee, at its option, may require the Mortgagor to pay to the Mortgagee, on the first day of each month until the note secured hereby is fully paid, the following sums in addition to the payments of principal and interest provided in said note: a sum equal to the premiums that will next become due and payable on policies of mortgage guaranty insurance, if applicable, fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next to become due on the mortgaged premises, all as estimated by the Mortgagee, less all sums already paid therefor, divided by the number of months to elapse before one month prior to the date when such premiums, taxes and assessments will be due and payable, such sums to be held by Mortgagee to pay said premiums, taxes and special assessments. Should these payments exceed the amount of payments actually made by the Mortgagor for taxes, assessments or insurance premiums, the excess may be credited by the Mortgagee on subsequent payments to be made by the Mortgagor, if however, said sums shall be insufficient to make said payments when the same shall become due and payable, the Mortgagor shall pay to the Mortgagee any amounts necessary to make up the deficiency. The Mortgagor further agrees that at the end of ten years from the date hereof, Mortgagee may, at its option, apply for renewal of mortgage guaranty or similar insurance, if applicable, covering the balance then remaining due on the mortgage debt, and the Mortgagor may, at its option, pay the said premiums required for the remaining years of the term, or the Mortgagee may pay such premium and add the same to the mortgage debt, in which event the Mortgagor shall repay to Mortgagee such premium payment, with interest at the rate specified in said promissory note, over said monthly installments over the remaining payment period.
