

Block 40

One 6-inch transmission purchase lateral, approximately 2.59 miles in length, beginning at an existing underwater tap valve No. LW-S1 at Mile Post 20.12 on an existing 16-inch lateral, and continuing in a southwesterly direction to the riser at C&K's Platform No. 4, all in Block 40, West Cameron Area, offshore Louisiana. Included in this lateral is a check valve at Mile Post 2.59.

Block 40 to Block 41

One 2.5-inch transmission purchase lateral, approximately 0.46 miles in length, beginning at the riser at C&K's Platform No. 4 in Block 40, and continuing in a westerly direction to the riser at C&K's Platform No. 1 in Block 41, all in West Cameron Area, offshore Louisiana.

Block 118 to Block 235

17% undivided interest in one 6-inch transmission purchase lateral, approximately 4.50 miles in length, beginning at Consolidated Gas Supply Corporation's Platform No. 5 in Block 118, East Cameron Area, and continuing in a westerly direction to a tap valve on Texas Eastern Transmission Corporation's 30-inch line in Block 235, West Cameron Area, all offshore Louisiana.
