13. That the Mortgagee, at its option, may require the Mortgagor to pay to the Mortgagee, on the first day of each month until the note secured hereby is fully paid, the following sums in addition to the payments of principal and interest provided in said note: a sum equal to the premiums that will next become due and payable on policies of mortgage guaranty insurance (if applicable), fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged premises (all as estimated by the Mortgagee) less all sums already paid therefor, divided by the number of months to elapse before one month prior to the date when such premiums, taxes and assessments will be due and payable, such sums to be held by Mortgagee to pay said premiums, taxes and special assessments. Should these payments exceed the amount of payments actually made by the Mortgagee for taxes, assessments, or insurance premiums, the excess may be credited by the Mortgagee on subsequent payments to be made by the Mortgagor; if, however, said sums shall be insufficient to make said payments when the same shall become due and payable, the Mortgagor shall pay to the Mortgagee any amounts necessary to make up the deficiency. The Mortgagor further agrees that at the end of ten years from the date hereof, Mortgagee may, at its option, apply for renewal of mortgage guaranty or similar insurance (if applicable) covering the balance then remaining due on the mortgage debt, and the Mortgagor may, at its option, pay the single premium required for the remaining years of the term, or the Mortgagee may pay such premium and add the same to the mortgage debt, in which event the Mortgagor shall repay to Mortgagee such premium payment, with interest, at the rate specified in said promissory note, in equal monthly installments over the remaining payment period.
