

19. That the Mortgagor shall execute and furnish to the Mortgagee a Security Agreement, Financing Statements, continuation statements and other such documents as Mortgagee may from time to time require in order to provide and maintain for the benefit of Mortgagee a prior, perfected security interest covering all chattels and equipment located and used or usable in connection with the above described property (except such items as may be the property of Lessees occupying any portion of the property under a Lease approved by the Mortgagee) in compliance with and in order to obtain the benefit of the Uniform Commercial Code as adopted in the State of South Carolina.

20. In addition to its other rights hereunder, the Mortgagee, at all times, shall have the right (but shall not be required) to cure on behalf of the Mortgagor any default under the terms of any Lease, which in the sole discretion of the Mortgagee would or could impair the Mortgagee's security hereunder, and to add all costs and expenses thereof to the indebtedness secured hereby; the Mortgagor further agrees to pay such sums to the Mortgagee immediately and without demand or notice, together with interest from the date or dates of each disbursements at the rate provided in the note.

21. That the Mortgagee shall have the right to modify or extend the time for payment of the note which this mortgage is given to secure and the lien of this instrument shall remain in full force and effect and have priority over all third-party claims, including subsequent lienholders.

22. The Mortgagor shall not remove or demolish nor alter the design or structural character of any building now or hereafter erected upon the premises unless the Mortgagee shall first consent thereto in writing. The Mortgagor shall at all times during the term of this mortgage comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the premises and will not suffer or permit any violation thereof, including, but not limited to, all applicable zoning, building or other governmental laws and requirements. The Mortgagor shall obtain and at all times keep in full force and effect all governmental and municipal approvals as may be necessary to comply with all environmental, ecological, safety, licensing and other governmental requirements relating to the mortgaged premises and the occupancy thereof as such requirements may exist from time to time during the term hereof. If the indebtedness secured hereby is now or hereafter further secured by security agreements, pledges, contracts of guaranty, assignments of leases or rentals or other security, the Mortgagee may, at its option, exhaust any one or more of said securities and the security hereunder, either concurrently or independently, and in such order as it may determine. Without affecting the liability of the Mortgagor or any other person (except any person expressly released in writing) for payment of any indebtedness secured hereby or for performance of any obligation contained herein, and without affecting the rights of the Mortgagee with respect to any security not expressly released in writing, the Mortgagee may, at any time and from time to time either before or after maturity of said note and without notice or consent, release any person liable for payment of all or any part of the indebtedness, accept additional security of any kind, release or otherwise deal with any property, real or personal, securing the indebtedness, including all or any part of the property mortgaged hereby.

23. It is further covenanted and agreed that all installments of principal and interest are payable in lawful money of the United States of America, and all sums in default hereunder shall bear simple interest from the date of default at the rate designated in the note.

24. That the Mortgagee may from time to time require, at its option, that any present or future tenants or lessees of the Mortgagor of the whole or any portion of the mortgaged premises shall execute along with the Mortgagor and Mortgagee such subordination, attornment and nondisturbance agreements in substance and form satisfactory to the Mortgagee, at the Mortgagor's expense.

25. The filing of any voluntary petition by the Mortgagor under the National Bankruptcy Act or any state insolvency law or the impairment, limitation or modification of the liability of the Mortgagor or the estate of the Mortgagor in bankruptcy or of any remedy for the enforcement of said Mortgagor's liability under this mortgage resulting from the operation of any present or future provision of the National Bankruptcy Act or other statute or from the decision of any court, the rejection or disaffirmance of the mortgage in any such proceedings shall be and constitute a default at the option of the Mortgagee of the terms and conditions of this mortgage.
